The up lake dock is for usage by Full Share owners, their guests and renters of Full Share units.

The down lake dock is for usage by Timeshare owners, their guests and renters of Timeshare units.

The Bulkhead is open for reservations for use by all owners, guests and renters.

The Full Share dock will have one (1) slip for short term reservations (14 days or less).

Violation of any of the above rules may result in removal from the dock,  
buoy or property.

This policy will be monitored and reviewed for effectiveness. It will remain  
in full effect until such time it is reviewed and amended by the Board of  
Directors. At that time owners will be notified of any changes to the above
